

SUTHERLAND

Sutherland has a long history of promoting diversity in the legal profession and within our firm. We believe that diverse skills, knowledge and viewpoints make us a stronger, more productive law firm. As part of our continuing commitment to recruit individuals who will add these viewpoints to our firm, we are pleased to participate in the 2012 LCLD Scholars Program.

The Atlanta office of Sutherland seeks a first year law student to join its 2012 program. Applicants must be a first year student in good standing at an ABA accredited law school. We seek students with superior academic performance and a record of achievement. Sutherland recruits individuals who have demonstrated the potential for success in law school and in the legal profession. We have a preference for students with a desire to ultimately practice in Atlanta. To apply, please submit a resume, a 500 word or less personal statement detailing your interest in Sutherland and law school transcripts to Melissa Wilson, Director of Attorney Recruiting, Sutherland LLP, 999 Peachtree Street, NE, Atlanta, GA 30309 or attorney.recruiting@sutherland.com. We will accept applications until February 13, 2012 but applicants may be considered on a rolling basis.

The LCLD Scholar is required to spend seven weeks at the firm, and may spend up to nine weeks. For more information on our summer program, please visit www.sutherlandcareers.com
