

Director and Associate General Counsel, Head of Privacy

(Menlo Park, CA)

Facebook's mission is to give people the power to share, and make the world more open and connected. Through our growing family of apps and services, we're building a different kind of company that helps billions of people around the world connect and share what matters most to them. Whether we're creating new products or helping a small business expand its reach, people at Facebook are builders at heart. Our global teams are constantly iterating, solving problems, and working together to make the world more open and accessible. Connecting the world takes every one of us—and we're just getting started.

Facebook is seeking a highly motivated, team player to serve as Director and Associate General Counsel, Head of Privacy. This position will manage strategy for Facebook's privacy legal team and lead a team of talented legal professionals. This is a great opportunity to join a growing legal team and to work on novel issues in an exciting, fast-paced environment. This position is based at our Menlo Park, CA Headquarters.

Responsibilities

- Lead and manage a legal team responsible for overseeing legal guidance and representation on privacy regulatory matters in the US and globally (excluding Europe)
- Lead strategy for regulatory engagement and defense of regulatory inquiries with privacy regulators
- Own responsibility for data policies across the Facebook family of companies
- Manage compliance with FTC Consent Order and other regulatory requirements
- Provide guidance on privacy regulatory requirements and developments in partnership with product legal teams
- Oversee privacy diligence and counseling in connection with acquisitions and commercial transactions
- Partner with policy, communications and business teams with respect to privacy regulatory strategy and developments

Minimum Qualifications

- JD with membership in at least one state bar
- People management experience (company, firm or government)
- 10+ years of legal experience
- 5+ years of privacy and technology law experience, including experience with global privacy frameworks
- Experience advising on and influencing relevant privacy regulations and frameworks (e.g., COPPA, GLB, Privacy Shield)

Preferred Qualifications

- Experience working with online technologies

- Leadership experience defending privacy matters in agency (e.g. FTC) or Congressional investigations
- Experience with operations and processes management (e.g. managing and implementing compliance programs)
