

Patent Litigation Attorney

We are seeking attorneys for our rapidly growing Intellectual Property practice. Three specific hiring needs include: (1) biotechnology patent attorney with an advanced degree in biology, molecular biology, immunology, biochemistry or chemistry having 6+ years of substantial experience with freedom-to-operate opinion work and some litigation experience; (2) life sciences patent litigation with an advanced degree in biology, molecular biology, immunology, biochemistry or chemistry having 2-4 years of experience with Hatch-Waxman and/or biologics litigation and freedom-to-operate opinion work; and (3) patent attorney having a strong background in electrical engineering and computer science with 1-4 years of experience in patent prosecution and post-grant proceedings (IPR and CBM). Strong writing skills are required. Positions are available in New York; Washington, DC; Palo Alto and Chicago. For this position, send your application materials to legal_recruiting@steptoe.com, and specify which office you are interested in.
