

Value difference

Dinsmore is pleased to offer its 2018 Diversity Scholarship Program in partnership with Lockheed Martin.

Diversity is a core value and a prime ingredient of everything we do as Dinsmore attorneys. We know that assembling teams of lawyers with diverse backgrounds and viewpoints is essential to the excellent service and results we provide our clients.

We are proud to offer a unique opportunity for a first-year law student to split his or her summer associate experience between Dinsmore and global aerospace and defense company Lockheed Martin. One scholarship recipient will be a salaried Dinsmore summer associate who will spend half of the 12-week summer associate program in the General Counsel's office at Lockheed Martin Corporate Headquarters in Bethesda, Maryland. The recipient also will receive a scholarship of up to \$10,000 and be assigned a mentor who will serve as a dedicated resource for professional development. We seek applicants with a strong record of academic or professional achievement, demonstrated leadership, and a meaningful commitment to diversity.

Interested first-year students must apply for this opportunity by December 31, 2017. The application is available at dinsmore.com/careers.

Please pass this information along to your students. We look forward to reviewing their applications.

Sincerely,
