

1L LCLD Scholars Program – Chicago, Denver, Kansas City, St. Louis

The Chicago, Denver, Kansas City, and St. Louis offices of Bryan Cave Leighton Paisner LLP are each seeking to hire one first year law student for our 2019 summer associate programs that will participate in the Leadership Council on Legal Diversity (LCLD) 1L Scholars Program. This will include attending the Scholars Summit in Atlanta June 4 to 6, 2019. We are seeking exceptional and motivated candidates with strong writing and analytical skills who will have completed their first year of law school by the summer of 2019.

Our goal is to provide summer associates with a realistic perspective of what it is like to practice law. As a summer associate, during our 8-week program, you will receive challenging opportunities to work in a variety of practice areas in order to gain broad experience and work with a diverse group of lawyers. Additionally, we offer training programs to strengthen and develop your legal skills. With the advice and guidance of attorneys who serve as assignment coordinators and mentors, summer associates are assigned projects from a “pool” of substantive assignment requests from lawyers across our various practices groups as well as our pro bono matters.
