

1L LCLD Scholars Program

Summer 2019 - Chicago

Dentons is excited to participate in the 1L Scholars Program through the Leadership Council on Legal Diversity (LCLD). This program is designed to strengthen the legal pipeline by expanding the number of opportunities for diverse first-year law students. The 1L LCLD Scholars Program gives students the opportunity to work side-by-side with attorneys and provides valuable professional experiences.

About Dentons US LLP

Located in more than 173 locations across 77 countries, we are proud to be the world's first polycentric global law firm. Our legal teams are immersed in the same economy, culture and environment in which our clients operate, and we strive to have a positive social impact on the communities in which we live and work. Our unique nature allows us to better serve our clients and offers you a career path with unprecedented potential. To learn more about Dentons, please visit us online at www.dentons.com

The 2019 Summer Program

Just like our Firm, Dentons' summer program is different. Our program strikes a balance between fostering your professional growth in ways that are engaging, as well as informative. Law students experience the energy, creativity and collegiality that defines life at Dentons. Our summer program is not just work - it is fun - and that is what we think of our careers at Dentons.

The Dentons LCLD Scholar will receive compensation for the eight-week summer associate program, will attend LCLD's Scholars Summit for all LCLD Scholars nationwide in Atlanta on June 4-6, 2019, and will be invited to participate in LCLD's law student mentoring program, in which students are paired with a LCLD Fellow who will mentor them through bar passage.

How to Apply

We are seeking applicants who share Dentons' values of fostering diversity and inclusion in the legal profession. Applicants of all backgrounds are considered and encouraged to apply.

Applicants should have completed one full year at an ABA-accredited law school prior to the start of our summer program. The ideal candidate will have a combination of strong academic performance, superior interpersonal skills, attention to detail and excellent verbal and written communication skills. Ideal candidates will also have excellent judgment, an interest in learning and a commitment to advancing diversity and inclusiveness.

Candidates should submit a resume and cover letter and can [click here](#) to apply. Please also include a fall semester transcript when available.
