

We are currently seeking talented **Attorney Summer Interns** for our San Antonio, TX facility. **To be considered, you must apply to job #R0027334 on usajobs.com.**

USAA's 10-week, summer internship program offers college students the chance to discover what it's like to work at a Fortune 100 company and leading financial services organization. Our interns deliver innovative solutions to real business challenges, and build enduring relationships with their manager and an assigned mentor. While gaining insight into the service of the military community and USAA's noble mission, interns are immediately part of USAA's collaborative culture. Spend your summer at USAA and gain a career where you can make a difference!
