**U.S. Bank National Association & Husch Blackwell LLP
2019 1L Diversity Summer Associate Opportunity – St. Louis**

The Program

U.S. Bank National Association (“U.S. Bank”) and Husch Blackwell LLP believe that a culture of inclusivity and openness enhances our commitment to serve our clients, professions and community by building a workforce of people with varied backgrounds. This appreciation of individual differences is why we are partnering with the Leadership Council on Legal Diversity’s 1L Scholars program to offer an opportunity for a diverse first-year law student to work with both U.S. Bank and Husch Blackwell LLP for the summer of 2019.

The selected student will participate in a ten-week clerkship (from May 20 – July 26) in Saint Louis, Missouri, spending six weeks at Husch Blackwell LLP and four weeks at U.S. Bank. The student will receive challenging responsibilities and exciting projects, working alongside partners, associates and in-house counsel. Projects will include, but are not limited to, contributing to the negotiation of business transactions, taking part in client conferences, engaging in pro bono work, supporting business line counsel, and experiencing employment law from the enterprise perspective.

Along with the day-to-day work assignments, the selected candidate will also be invited to attend the LCLD 1L Scholars Summit in Atlanta, Georgia, the Husch Blackwell LLP Summer Associate Retreat, and other summer internship networking and development events hosted by U.S. Bank. The student will have a mentor through the LCLD program, as well as an associate mentor at Husch Blackwell LLP to offer support and guidance.

About U.S. Bank

U.S. Bank’s history dates back to 1863 when First National Bank of Cincinnati opened for business. As regional banks proliferated across the country in the years that followed, a number of other predecessors were born. After a series of mergers at the turn of the 21st century, we formally took on the U.S. Bank name and established our headquarters in Minnesota. Today, U.S. Bank is the fifth-largest bank in the country. Our core businesses include Consumer & Business Banking, Corporate & Commercial Banking, Payment Services and Wealth Management & Investment Services. Through our “One U.S. Bank” philosophy, we are able to bring the power of the whole bank to every customer, every single day.

Our relationships are built on the trust that we build every day through every interaction. Our employees are empowered to do the right thing to ensure they share our customers’ vision for success. We recruit, select and retain qualified employees who represent all segments of the

communities we serve and support. We cultivate a highly talented workforce by valuing people for who they are and what they can contribute.
