

Holland & Knight is seeking to hire an outstanding diverse first year law student for our 2019 Philadelphia Summer Associate Program to participate in the LCLD (Leadership Council on Legal Diversity's) 1L Scholars Program. We want to be a leader in diversity. We strive to be the firm most reflective of and responsive to our clients and communities. At Holland & Knight, we believe the highest quality service can only be achieved when a legal team reflects the diversity of the marketplace.

This will be the inaugural summer program for the Philadelphia office, which opened in July 2018. Summer associates will work on real projects for real clients, meet with clients, and attend strategy sessions and closings. The workload in our summer associate program can be intense, and we know our summer associates appreciate this fast pace and real experience.

Each summer associate has a primary partner and peer mentor who helps them understand the practice areas and offer advice on how to navigate the realities of practicing law, interacting with clients and working with a team to come up with creative solutions.

For this diversity fellowship, please submit cover letter, resume, transcript, and a personal statement (500 words or less) explaining why you are interested in Holland & Knight, and why diversity and inclusion are important to you to Jaime Kaplan, Attorney Recruiting Manager at jaime.kaplan@hklaw.com before February 15, 2019.
