Make the most out of the Accountability Partner system by discussing the following with your partner(s):

- What is one goal that you would like to work on this year? How will you hold each other accountable for working on this goal?

- Discuss the sessions you’ve attended so far and discuss one or two highlights from each. Write down your plan for integrating those highlights into your work life.

- Brainstorm ways you can take what you’ve learned back to your organization to share with your general counsel, section head, or managing partner.

- How will we stay in touch, and what is the best way to communicate with each other?
