

USG Contract Compliance AGC

Cross functional counseling Auditing Training Investigating/Disclosing

DRIVING INFINITE POSSIBILITIES WITHIN A DIVERSIFIED, GLOBAL ORGANIZATION

Ensuring Honeywell's continued compliance with USG contracting requirements, you will be responsible for providing practical guidance to leaders, compliance professions and other Honeywell employees regarding US procurement laws and regulations including, but not limited to, Contracts, Customer & Product Support, Finance, Pricing, Sourcing & Procurement, Manufacturing and Engineering functions. You will be expected to simplify the complexities of US procurement law into practical, implementable guidance without sacrificing speed or accuracy. You will lead internal investigations and manage any resulting disclosures to customers or other governmental authorities.

Enable best-in-class USG contracting and compliance by providing prompt, accurate and practical counseling, regulatory updates, and other tools that ensure effective contract formation, contract administration, regulatory compliance, and systems/controls adequacy.

Inspire and maintain greatness in USG contracting through training, team and systems building, diligence, audits and other internal assessments.

Influence the external regulatory environment by actively participating industry organizations and supporting, as appropriate, the efforts of Honeywell's Government Relations organization.

You Must Have:

- JD degree with five plus years' experience working on matters involving US Procurement Law including a deep knowledge of US Procurement Law as embodied in federal statutes, regulations, policies, guidance materials and practices

We Value:

- Experience managing complex internal investigations
- Highest standards of integrity and good judgment
- Strong business acumen; capability to learn business and complicated technologies
- Ability to influence and lead at all levels of the corporation
- Ability to work in a matrix environment and succeed with a globally dispersed business team
- Excellent intrapersonal and communication skills

- Team player
- Accessible and approachable
- Highly productive self-starter, motivated to assume increasing and significant responsibility
- Willingness to travel

Must be a US Citizen due to contractual requirements. In this position you will exercise discretion and independent judgment on matters of significance.

INCLUDES

- Continued Professional Development
- 1st Shift
