

LCLD Pathfinder Program: Compass Conversations FAQs & Suggested Topics for Discussion

FAQs:

1. What is the LCLD Pathfinder Program?

- Launched in 2015, the program's goals are to provide diverse, high-potential, early career attorneys with practical tools for (1) developing and leveraging internal professional networks through relationship building skills, (2) developing foundational leadership skills, while (3) developing an understanding of career development strategies applicable to both in-house and law firm practice.
- Pathfinders are lawyers with (a) three-to-seven years of practice experience if they work for a law firm Member, or (b) three years or less of in-house experience, and less than eight total years of practice experience, if they work for a Member corporation. Learn more [here](#).
- The major elements of the program are (a) in-person meetings in May and November, (b) three e-learning modules with associated Action Assignments, and (c) the Compass Conversations in which you are the subject of this FAQ.

2. What is a Compass Conversation?

Small group gatherings over lunch that provide an opportunity for Pathfinders to connect with LCLD Fellows and Fellows Alumni on a range of career and professional development topics. Compass Conversations provide an opportunity for Pathfinders to network with emerging leaders in the profession and for the Fellows to expand their own professional networks.

3. How Do Compass Conversations Work?

- This year, Compass Conversations will take place on “National Compass Day,” Wednesday, June 5, 2019. LCLD forms Compass groups based on survey responses from Pathfinders and Fellows/Alumni. Volunteer Fellows/Alumni take the lead in choosing a venue for their respective groups and coordinate logistics with group members. Fellows and Pathfinders can learn more about their group members using the [Pathfinder Directory](#) and the [Fellows Directory](#). For those unable to attend a June 5 event, LCLD will also host Compass Conversations to coincide with the [November Pathfinder In-Person Meeting](#).
- Upon arriving at the event, attendees should introduce themselves and provide basic information about their career bios and perhaps some non-work interests. We expect that conversations will flow from there, but we have created a list of suggested conversation starters on the next page in case you need some ideas.
- *Each attendee, including the host(s), is responsible for paying their own food and beverage expenses.*
