The Minneapolis office of Robins Kaplan LLP seeks a bright, passionate, hard-working first year law student to join our highly regarded 2020 Minneapolis Summer Associate Program as our 2020 LCLD 1L Scholar.

We have designed our Summer Associate program with two primary goals in mind—introducing you to our firm and what life as an Associate will be like, and helping you improve as a legal writer, thinker, and advocate. As a Summer Associate, you will:

- Develop advocacy skills by participating in a mock arbitration in our courtroom—guided by some of our firm’s most skilled trial lawyers
- Help ensure that everyone has access to justice by working on pro bono cases
- Work with our attorneys on substantive assignments related to real cases being handled by the firm
- Improve your writing through our writing mentorship program
- Learn about life beyond the classroom by accompanying our lawyers to trials, hearings, depositions, negotiations, and client meetings
- Expand your legal network through participation in training and social activities with other law students and lawyers in the local legal community

Spend your summer with us and become a better writer, a better advocate, and a better lawyer. Summer Associates earn $11,500 per month (approximately $2,650/week).
