

As part of our ongoing commitment to diversity, inclusion and equity, we are pleased to offer a 1L Diversity Scholarship for a summer position in our Indianapolis, South Bend/Elkhart and Chicago markets. Candidates must be a first-year law student (year 2023 graduates) in good standing whose background experience, personal attributes and/or characteristics contribute to Barnes & Thornburg's diversity, equity and inclusion commitment and goals. The scholarship recipient will have a paid position in the firm's summer associate program. At the completion of a successful first summer, including receipt and acceptance of an offer to return to the firm for a second summer, the scholarship recipient will receive \$5,000. Scholarship recipients who return for a second summer will receive \$5,000 at the completion of a successful second summer, including receipt and acceptance of an offer to join the firm as an entry-level associate. Scholarship recipients that accept an entry-level associate offer will receive an additional \$5,000 when they join the firm.

Interested candidates may apply on our website as of December 1, 2020 and should include a resume (including undergraduate and law school GPA), cover letter (addressed to Kim Finney), personal statement, and transcript (if transcripts are not available yet, please use a place holder in order to move forward with the online application process). We will be conducting interviews before grades are received.
