

Wiley Rein LLP 1L Job Posting

Wiley is proud of its commitment to diversity, equity, and inclusion in the legal profession. The Wiley 1L Diversity, Equity, and Inclusion Scholarship provides a scholarship in the amount of up to \$25,000 and a 2021 summer associate position to a 1L law student who is a member of a historically underrepresented group in the legal profession – including law students who are members of a racial and/or ethnic minority group, are differently abled, or are from disadvantaged socioeconomic backgrounds – and who has demonstrated academic, leadership, and/or professional accomplishments and a commitment to Diversity, Equity, and Inclusion.

In addition to Wiley's traditional summer program, our 1L will have the opportunity to participate in the Leadership Council on Legal Diversity (LCLD) Scholar Program, which includes attending a professional development summit and access to various networking opportunities. LCLD is an organization that aims to increase diversity within law firms and in-house legal departments.

Summer associates participate in matters similar to those of our first-year associates, manage their own dockets, and, in accordance with our free market system, select their own assignments. We offer our summer associates stimulating and challenging work, allowing them to showcase their abilities while working directly with supervising partners and associates. Throughout the program, summer associates will have the opportunity to learn more about our firm's culture, share in engaging social events with their mentors and other attorneys, and develop legal and professional skills through hands-on training provided by our attorneys.

Wiley is a Washington-based firm that specializes in a wide range of regulatory and litigation based practice areas. Our challenging and rewarding summer program furnishes students with a first-hand experience of our firm's unique culture, familial environment, and unparalleled expertise. Wiley looks for applicants with strong credentials, experience, and initiative who share our dedication to our clients and community. We hire not only the best students, but the best people.
