#### 2021 1L Summer Associate

Our Nashville office will sponsor a summer associate program for 1Ls in 2021, scheduled to run from June 21, 2021 to July 30, 2021.

Bass, Berry & Sims seeks law students who demonstrate high academic achievement, participate in law school and extracurricular activities, and show an interest in the community to experience our dynamic and well-rounded summer associate program. Our program is designed to provide law students with a realistic picture of life as an associate and to assess a candidate's ability to contribute to our firm. Summer associates have the opportunity to participate in the life of the firm, including contributions to pro bono work and engagement with our diversity and inclusion program and affinity groups. The relationships you build and the challenging opportunities you discover over the summer will continue when you begin a legal career with us.

We are always working to create and maintain a talented and diverse team of attorneys within our offices. Embracing diversity and inclusion strengthens who we are as a firm and enhances the services we can provide to our clients. We have devoted substantial recruitment efforts to attracting and developing stellar attorneys who will bring a wide variety of backgrounds and life experiences to our team.

To be considered for a 1L position, please submit a cover letter, resume, and transcript by February 19, 2021. **All applications must have a complete Fall 2020 transcript for review.**
