

We have an exciting opportunity for 1Ls to join our summer program as a Summer Fellow in the following offices: Atlanta, Boston, San Francisco, Seattle, and Washington DC.

Our summer program offers a strong educational component supported by practical learning opportunities. Fellows work hand-in-hand with Seyfarth partners, who are dedicated to ensuring their continued professional development. A team of partner and associate mentors will also provide individualized feedback and coaching.

We are proud to be an influential leader in inclusion and diversity. The firm has been recognized for our efforts by the Human Rights Campaign, Working Mother magazine, and the Minority Corporate Counsel Association. We are Mansfield 4.0+ certified, a reflection of our ongoing commitment to advancing candidates from underrepresented groups.
