

1L DIVERSITY & INCLUSION CLERKSHIP PROGRAM 2022

Diversity & Inclusion

Phelps Dunbar believes that clients are best served when we can offer the diverse perspectives found within our communities. We are proud to be members of the Leadership Council on Legal Diversity (LCLD) and participating in their 1L Scholars Program. We are seeking diverse/underrepresented first year law students for our 2022 Summer Associate Program in our Baton Rouge, Birmingham, Jackson, Mobile, and New Orleans offices.

Summer Program

Phelps Dunbar's summer program allow students to become involved in the day-to-day activities of a law firm practice, including research and writing, attending depositions, investigations, hearings, motions and trials, and corporate and commercial closings. Throughout the program, partners and associates act as mentors to provide the summer associates with advice, as well as to help acclimate the student to the office. In an effort to become acquainted with our attorneys on a personal level, the Firm hosts a number of social and professional functions that allow for interaction in non-work environments.
