

# Job Title: Internship - Law Clerk

Requisition ID 242692 - Posted 07/02/2022 - United States - New Jersey (NJ) - Plainsboro - General Management and Administration - Students and Interns

## About the Department

The Legal department is comprised of our Legal and Patents functions. We depend on our legal team to help drive growth and maintain the highest level of standards and practices across all of our legal efforts. It's a tall order, which is why we only hire those who thrive on protecting the interests of our patients, employees and business, all while creating and implementing efficient and innovative solutions. As part of the team, you'll work with employees across the organization to oversee legal matters and provide guidance on strategies that drive business and policy priorities and shape the reputation of Novo Nordisk Inc. (NNI). At Novo Nordisk, your skills, dedication and ambition will help us change lives for the better. In exchange, we'll offer you an opportunity to work with extraordinary talent and benefit from a range of possibilities for professional and personal development. Are you ready to realize your potential?

## The Program

At Novo Nordisk, interns will have the opportunity to kick-start their careers by working closely with experienced industry professionals and gaining valuable, hands-on, full-time work experience. For ten weeks, beginning June 6th, interns will be immersed in the environment of a global pharmaceutical company and contribute to the line of business by providing sustainable and meaningful project work. Our internship program also includes instructor led trainings, career presentations by senior leadership, and a guided mentorship program to offer professional and personal development.

In addition to individual department responsibilities, interns will participate in the Innovation in Action Case Competition. Assigned to cross-functional teams, interns will work closely to develop an innovative and comprehensive solution to a business problem currently facing Novo Nordisk. At the conclusion of the program, teams will present their findings to a board of top Novo Nordisk officials representing the various lines of business.

## The Position

The Law Clerk will have the opportunity to shadow and provide support to attorneys in all practice areas, but with a focus on Intellectual Property. The intern will rotate through Intellectual Property and assist with patent litigation, patent prosecution, and copyright and trademark projects.

## Physical Requirements

0% overnight travel required.
