

Kelley Kronenberg's Summer Associate program is a 10 week program. During the 10 weeks, the Summer Associates will each rotate through 3 different business units, allowing them exposure to 3 different practices, team dynamic, and manager style. The Program is meant to be as interactive as possible and the Summer Associates are encouraged to shadow depositions, hearings, mediations, site-inspections, client meetings, and even trial. Throughout the Program, there are also a variety of educational webinars, lunch and learns, and networking opportunities planned for the Summer Associates to attend. The 1L LCLD Scholar will also attend the firm's Diversity & Inclusion Committee Meeting and attend any D&I events during the Summer.
