

2023 Summer Associate Job Description

The goal of our Summer Program is to give each summer associate a true sense of the Firm's unique culture and what it means to be a lawyer at OM. Our summer associates are directly involved in our practice, including client counseling, depositions and court proceedings, and negotiations. Our summer associates are genuinely interested in practicing law in Arizona and are recruited from top law schools around the country. We choose our summer associates based on their academic achievements, work, and leadership experience, written and oral communication skills, and service to the community.

Qualifications

Top academic performance, work and leadership experience, excellent written and oral communication skills, including law journal or other relevant writing experience.
