

To further our commitment to diversity, Thompson Hine has established 1L Diversity Fellowships in their Cleveland, Cincinnati, and Columbus, Ohio offices for the 2023 summer program. This is a unique opportunity for students to gain valuable experience and receive mentoring and training early in their legal career. Students selected for this Diversity Fellowship opportunity will receive a paid summer associate position for the duration of our 2023 summer program and \$5,000 at the successful completion of the summer program. Those who receive and accept offers to return for a second summer will receive an additional \$5,000 in the spring of 2024 and will be eligible to apply for our 2L Diversity Scholarship.

Please note that fellowship opportunities in some offices include joint in-house work with a firm client and may involve travel to the client's offices for a period of time. Any travel expenses will be covered.

Eligibility

To be eligible for this opportunity, students must be attending a law school that is accredited in the United States and self-identify as a member of an under-represented racial or ethnic group or as a member of the LGBT+ community. In addition, candidates must be committed to practicing in the respective office they apply to upon graduation.

How to Apply
