

## **Description**

Womble Bond Dickinson (US) LLP is accepting applications from 1Ls for 2023 Summer Associate positions in our Winston-Salem, NC, Charlotte, NC, Charleston, SC, Houston, TX, and San Francisco, CA offices.

Summer Associates at Womble Bond Dickinson enjoy a diverse mix of meaningful work selected from a pool of projects, and social activities that will introduce students to our lawyers, our staff, and the city in which we live and work.

In addition to considering academic achievement, the firm looks for students with the ability, motivation, and personal qualities to provide consistently high quality legal services to our clients and to contribute in a positive way to the culture of the firm.

A principle purpose of our Summer Associate Program is to involve students in various aspects of the firm's legal practice, particularly clients' matters. Summer Associates do the same work as Associates and will receive feedback on work assignments and are encouraged to participate in hands-on learning opportunities such as attending trials, motions, mediations, depositions, will executions, and a variety of client conferences.

## **Requirements**

Candidates should have outstanding written and oral communication skills, excellent academic credentials, and strong organizational and analytical abilities. To be considered, please submit your resume, transcript, writing sample and cover letter that indicates your office of interest. We will review applications on a rolling basis and will contact you if there is interest in moving forward with your candidacy.

In our California office, we are looking for 1L students with degrees in Computer Science, Electrical Engineering, Computer Engineering, or Mechanical Engineering.

WBD is committed to leadership in attracting, developing, and retaining a diverse workforce of highly talented professionals. Diverse candidates are thus encouraged to apply. Thank you for your interest in our Firm.
