

BONDURANT MIXSON & ELMORE^{LLP}

Bondurant Mixson and Elmore, LLP is a 35-lawyer firm in midtown Atlanta exclusively focused on representing plaintiffs and defendants in high-stakes business disputes. *Chambers & Partners* lists BME as one of only three firms with the highest ranking for commercial litigation in Georgia. And the *National Law Journal* has recognized the firm as one of the top 10 litigation boutiques in the United States.

BME is seeking exceptional, diverse 1L candidates who are interested in business trial and appellate litigation and who have a sincere desire to practice law in Atlanta long-term. Successful candidates will have a record of outstanding academic achievement and experience demonstrating potential to excel in the legal profession and contribute to the firm's success.

Our summer associates receive hands-on training and receive assignments for substantive, meaningful work similar to that performed by associates. Summer associates typically assist with client conferences, depositions, hearings, and trials during their time at the firm. Our goal is to provide a realistic sense of what it will be like to practice law at our firm.

Our 1L Scholar may have the opportunity to spend a portion of their summer program in the legal department of one of a select roster of current BME corporate clients. 1L Scholars would continue to receive their weekly salary from the firm while working at their in-house placement.

Our summer program is designed to expose students not only to our practice but also to our lawyers and the city of Atlanta. To that end, we invite summer associates to participate in a variety of recreational and social activities, ranging from lunches and dinners at the city's best restaurants to concerts, sporting events, and a choice of other activities.

Compensation for summer associates is competitive with the top firms in Atlanta.
