What to Expect

The Nestlé USA & Mayer Brown LLP 1L Scholars Legal Internship Program is a paid, full time, 8-10 week summer internship offered in partnership with the **Leadership Council on Legal Diversity**. This comprehensive program provides law students completing their first year of studies with the unique opportunity to intern for half of the program at Mayer Brown's Washington D.C. offices and half of the program with the in-house legal team at Nestlé USA's Arlington, Virginia headquarters.

The 2023 1L Legal Scholar will work at Mayer Brown's Washington D.C. offices doing work for Nestlé and other Mayer Brown clients. In addition, the 1L Legal Scholar will be offered the opportunity to participate in Mayer Brown's summer associate training program and events throughout the entire internship period. During the time at Mayer Brown, participants will have the opportunity to work directly with associates and partners will experience where they will gain experience and in-sights from working at one of America's premier full-service law firms.

While with Nestlé USA at the company's beautiful headquarter building in Arlington, Virginia, the 1L Legal Scholar will receive hands-on experience working with the Nestlé Legal team in areas such as intellectual property, litigation, commercial contracts, employment, advertising, food law and general legal matters. In-house lawyers will provide mentoring to participants with developmental feedback to gain a better understanding of the unique role of an in-house law department at the world's largest food company.
