Leadership Council on Legal Diversity

Building a Generation of Leaders as Diverse as the Nation We Serve
Welcome to the Leadership Council on Legal Diversity, a fast-growing national organization dedicated to building a more diverse and inclusive U.S. legal profession.

The idea behind LCLD is simple but powerful: To create a new generation of diverse leaders in the profession, we must engage the top leaders of today. That is why LCLD is made up of the General Counsel of Fortune 500 corporations and the Managing Partners of the nation’s leading law firms.

By joining LCLD, each of these individuals has made a personal commitment to the defining mission of our organization. Our Leaders at the Front movement continues to gain momentum, and now, these personal commitments are transforming into something even more powerful. In 2022, over 430 Members went live with public Leader Pledges detailing the specific actions, both personal and organizational, that they commit to take in order to advance diverse lawyers within their organizations.

Through their Leader Pledges, LCLD Members will empower their diverse talent to fulfill their potential while laying the groundwork for transformational change in a profession that has been painfully slow to evolve.

Shortly after LCLD was founded in 2009, we began building programs to help minority and women attorneys expand their professional horizons. In the years since, more than 10,000 talented individuals have benefited from our Mentoring, 1L Scholars, Pathfinder, Fellows, and Alumni programs, all of which are detailed in this brochure. Today our program graduates make up one of the most powerful and diverse networks for the next generation of leaders in the profession.

LCLD plans to return to in-person events for Members and programs in 2023. We are delighted to be together again and look forward to deepening the bonds and connections of the LCLD community.

I’m truly excited about where we’re headed in 2023 as we work together to energize our Member organizations with new ideas and solutions—all while continuing, through our programs, to empower the next generation of diverse legal talent.

I invite you to join me—and LCLD—in working tirelessly to make the legal profession as diverse as the nation it serves.

Leaders at the Front

As leaders of some of the country’s most powerful law firms and corporate legal departments, LCLD Members have significant influence within their organizations, networks, and communities. The Leaders at the Front movement is an opportunity to harness that influence by creating a personal, public action plan—a Leader’s Pledge—that articulates your commitment to diversity and generates lasting organizational change.

Recognizing the power of this movement, the LCLD Board of Directors moved to require a Leader’s Pledge as a condition of LCLD membership in 2022.

Here’s how it works:

1. Visit the Leaders at the Front website to browse the live pledges that have been submitted by your colleagues and friends, as well as LCLD resources, sample pledges, and a summary of the impact areas addressed by existing pledges. Let these serve as inspiration when creating your own pledge. Remember that a successful pledge includes goals that are specific, meaningful, and measurable.

2. Submit your pledge for publication on LCLD’s website.

3. Need more help? Reach out to schedule a consultation with LCLD.
