

Allstate Law & Regulation Department's Summer Internship Program - 2022

Allstate Insurance Company is a Fortune 100 Company with one of the largest in-house legal departments in the nation. Allstate is posting for a summer intern position in its Law and Regulation Department.

The Program provides highly motivated law students an opportunity to experience the operations of a dynamic in-house corporate legal department over the course of eight weeks. Summer interns may work with multiple divisions within the Department, including Dispute Resolution Services, Corporate Governance, Insurance Operations Law, Investments and Business Transactions, Government and Industry Relations, and Innovation Law. Responsibilities include legal research and analysis, preparation of legal memoranda, and oral presentations – all under the supervision of a licensed Allstate attorney.

The Program begins in early June 2022 and will be remote, with the possibility of occasional in-person attendance for meetings and/or events. Salary is competitive.

This position is for second year law students. Ideal candidates are innovative, have an agile mindset, and embrace cross functional collaboration. Candidates must also have outstanding research, writing, and communication skills. Business knowledge and acumen a plus. A resume, transcript, and 5-page writing sample are required. Please submit application materials to Emily Kurz at emily.kurz@allstate.com by **September 17th**.
