

# The LCLD Mission

**The Leadership Council on Legal Diversity** is an organization of more than 320 corporate chief legal officers and law firm managing partners— the leadership of the profession—who have dedicated themselves to creating a truly diverse US legal profession. Our action programs are designed to attract, inspire, and nurture the talent in society and within our organizations, thereby helping a new and more diverse generation of attorneys ascend to positions of leadership. By producing tangible results in the lives of talented individuals, we work to promote inclusiveness in our institutions, our circles of influence, and our society, with the ultimate goal of building a more open and diverse legal profession.
