NEWS

- **Orrick, Herrington & Sutcliffe LLP** has renewed and bolstered its successful Racial, Social & Economic Justice Fellowship Program, which **lends associates as fellows to social and racial justice organizations**. “We wanted to do more than write a check,” says Chairman, CEO, and LCLD Member **Mitch Zuklie**.
- **K&L Gates LLP** is the latest Am Law 200 firm to **offer billable credit for DE&I work**—a “critical component” of the firm and its lawyers’ success, says Managing Partner and LCLD Member **Jim Segerdahl**.

- **Greenberg Traurig, LLP** has amended its billable hours policy to **incentivize participation in DE&I activities**, community service, and pro bono work. The firm also enhanced its Social, Racial, and Economic Justice Action Plan to help “[bridge] the gaps in understanding” racial, social, and economic justice issues, says Co-President and LCLD Member **Ernest Lamont Greer**.
- **Morris James LLP** celebrated its 90th birthday by partnering with Delaware State University. In an effort to “reduce barriers to success and create a stronger, more diverse talent pool,” says Managing Partner and LCLD Member **Keith Donovan**, the firm **gifted \$10,000 to underwrite LSAT expenses and will provide mentorship opportunities** to Law Studies undergraduates.
- **Paul, Weiss, Rifkind, Wharton & Garrison LLP** has partnered with UC Berkeley School of Law to **launch the first-ever ESG and Law Institute**, which aims to advance and enrich ESG research with on-the-ground experiences and two \$25,000 fellowships.
- With two new leadership appointments, **DLA Piper** is **combining talent development and DE&I** into one role for the first time in firm history.
